The world famous wedge grip of the original o-p-e-n c-e-n-t-r-e Sure-Grip Tractor Tyres by Goodyear is your guarantee of "the greatest pull on earth."

The driving power of your tractor is converted to pulling power through your tyres! Driving wheels must be fitted with tyres that will BITE into the soil.

The RULER-STRAIGHT unobstructed lug bars of SURE-GRIPS take a clean bite and work full length and depth into the soil. The self-cleaning action of the tread leaves the lugs clean for another bite.

Study the tread — you’ll see for yourself.
