The following books on agriculture, recently published and obtainable to order from most booksellers, have been added to the stock of the Library Board of W.A. and may be borrowed freely from any public library associated with the Board, or consulted at the State Library of Western Australia.

**GENERAL**

Flowering Trees in India, by M. S. Randhawa. New Delhi, 1957.

The Geographical Basis of Government, specially applied to New South Wales, by J. M. Holmes. Syd., 1944. The purpose of this book is to show that ... In the regional approach there is an opportunity to establish in rural Australia the fuller life now characteristic of its capital cities. Preface.

**FARM MANAGEMENT**

**AGRICULTURAL MACHINERY**

**SOILS AND FERTILISERS**

Soil, the Yearbook of Agriculture, 1957. Compiled by the Yearbook Committee of the United States Department of Agriculture. Washington (D.C.), [1957].

**IRRIGATION**

Drainage of Agricultural Lands. Ed. by J. N. Luthin, Madison (Wis.), 1957.

Transactions of the 3rd Congress on Irrigation and Drainage. Held in San Francisco, 1957. New Delhi, [1957?].

**DISEASES AND PESTS**

**FIELD CROPS**

**FRUIT GROWING**

**LIVESTOCK**

Dairy Cattle Breeding in the Tropics, by P. Mahadevan. Farnham Royal (Bucks.), 1958.

The three essentials for healthy and vigorous plant growth are brought together in near perfect balance by the intelligent use of the Graham Chisel Plow.

The Graham is designed with a correct scientific regard for the requirements of soil development and water conservation. We will demonstrate a Graham Plow on your own property free of any obligation, making available to you valuable knowledge gained from six years of practical work in W.A. with a Graham . . . the genuine Chisel Plow.
