IMPORTANT DISCLAIMER

This document has been obtained from DAFWA's research library website (researchlibrary.agric.wa.gov.au) which hosts DAFWA's archival research publications. Although reasonable care was taken to make the information in the document accurate at the time it was first published, DAFWA does not make any representations or warranties about its accuracy, reliability, currency, completeness or suitability for any particular purpose. It may be out of date, inaccurate or misleading or conflict with current laws, policies or practices. DAFWA has not reviewed or revised the information before making the document available from its research library website. Before using the information, you should carefully evaluate its accuracy, currency, completeness and relevance for your purposes. We recommend you also search for more recent information on DAFWA's research library website, DAFWA's main website (<https://www.agric.wa.gov.au>) and other appropriate websites and sources.

Information in, or referred to in, documents on DAFWA's research library website is not tailored to the circumstances of individual farms, people or businesses, and does not constitute legal, business, scientific, agricultural or farm management advice. We recommend before making any significant decisions, you obtain advice from appropriate professionals who have taken into account your individual circumstances and objectives.

The Chief Executive Officer of the Department of Agriculture and Food and the State of Western Australia and their employees and agents (collectively and individually referred to below as DAFWA) accept no liability whatsoever, by reason of negligence or otherwise, arising from any use or release of information in, or referred to in, this document, or any error, inaccuracy or omission in the information.

Journal of Agriculture

WESTERN AUSTRALIA

March, 1971

Vol. 12 No. 3

(4th series)

Issued by direction of the
Minister for Agriculture
Published monthly by the
Department of Agriculture,
Jarrah Road, South Perth,
Western Australia. 6151

Editor:

E. H. LAWSON

Articles which appear in
the journal may be re-
printed, provided that both
the Journal and the auth-
ors are acknowledged.

COVER

The voracious weed on the
cover of this month's spec-
ial weed control issue has
been named *Gigantis*
Steedii, in honour of its
creator, staff artist Bob
Steed.

Steed's illustration depicts
a situation which has
been largely overcome by
modern management tech-
niques and herbicides,
many of which are discus-
sed in articles in this issue.

Contents

How profitable are herbicides for weeds in crops?	53
The control of annual ("Wimmera") ryegrass in cereal crops	58
A cheaper herbicide for wild oats	63
