# Contents

**Journal of Agriculture— Western Australia**

**Volume 20, No 2 (4th Series), 1979. ISSN. 0021-8618**

- 35 Avondale Research Station**  
Representing 150 years of Western Australian farming.
- 38 There's little to choose between scarifier points**  
Comparisons of different methods for prolonging the life of scarifier points.
- 42 More lambs by mating weaners**  
Trial results showing that mating ewe weaners does not affect later performance.
- 44 New dung beetles at work in Western Australia**  
Description of dung beetles in Western Australia, including the introduced species which have already produced spectacular results.
- 48 Flystrike in sheep**  
Secondary and tertiary flies striking sheep in Western Australia.
- 52 Erodium control a doubtful proposition**  
Results of an attempt to increase pasture production by control of erodium.
- 54 Miling wheat for northern areas**  
A new high-yielding wheat for north central medium and high rainfall areas.
- 55 Another variety for northern areas — Illyarrie lupin**  
A new lupin which gives outstanding yields.
- 56 An improved rapeseed variety — Wesway**  
A new blackleg resistant rapeseed which can be safely planted further inland and over a wider range of planting times.
- 57 Perennial pasture measures up**  
A perennial grass pasture gave substantially more production than a comparable annual pasture in a trial at Manjimup.
- 60 Breeding a barley resistant to leaf disease**  
Leaf disease of barley causes substantial but often unnoticed losses.

Issued by direction of the Minister for Agriculture. Published quarterly by the Western Australian Department of Agriculture, Jarrah Road, South Perth, Western Australia, 6151. Subscriptions \$10 a year.

Edited and designed by the Information Branch, Department of Agriculture, Editor — D. Rees. Articles in this Journal may be reprinted provided that both the Journal and the author(s) are acknowledged.

“Finance for Farmers” — correction to article in March 1979 issue. The Commonwealth Development Bank of Australia has since its establishment lent significant amounts for farm housing and continues to provide funds for this purpose.
