IMPORTANT DISCLAIMER

This document has been obtained from DAFWA's research library website (researchlibrary.agric.wa.gov.au) which hosts DAFWA's archival research publications. Although reasonable care was taken to make the information in the document accurate at the time it was first published, DAFWA does not make any representations or warranties about its accuracy, reliability, currency, completeness or suitability for any particular purpose. It may be out of date, inaccurate or misleading or conflict with current laws, polices or practices. DAFWA has not reviewed or revised the information before making the document available from its research library website. Before using the information, you should carefully evaluate its accuracy, currency, completeness and relevance for your purposes. We recommend you also search for more recent information on DAFWA's research library website, DAFWA's main website (https://www.agric.wa.gov.au) and other appropriate websites and sources.

Information in, or referred to in, documents on DAFWA's research library website is not tailored to the circumstances of individual farms, people or businesses, and does not constitute legal, business, scientific, agricultural or farm management advice. We recommend before making any significant decisions, you obtain advice from appropriate professionals who have taken into account your individual circumstances and objectives.

The Chief Executive Officer of the Department of Agriculture and Food and the State of Western Australia and their employees and agents (collectively and individually referred to below as DAFWA) accept no liability whatsoever, by reason of negligence or otherwise, arising from any use or release of information in, or referred to in, this document, or any error, inaccuracy or omission in the information.
Contents

Journal of Agriculture—Western Australia
Volume 24, No. 2 (4th Series) 1983. ISSN 0021-8618

47 Land conservation in Western Australia
50 The cost of land degradation
54 Wind erosion
58 Water erosion, waterlogging and flooding
61 Reclaiming gully erosion
62 Farming practices and soil structure
65 Farm planning for conservation
70 Pastoral land degradation—the Fitzroy as a case study
73 Land degradation—not just an agricultural problem

Issued by direction of the Minister for Agriculture, and published four times a year by the Department of Agriculture, Western Australia.

Editor—J. A. Lawson; Design—L. T. Webb.

Articles which appear in this Journal may be freely reprinted provided that the Department and the author(s) are acknowledged.

Subscriptions: Journal only, $15 a year in Western Australia, $20 inc. airmail elsewhere; Journal plus Farmnotes (Direct Mail Service) $20 per year. To Department of Agriculture, Jarrah Road, South Perth, Western Australia, 6151.

Cover: Erosion gullies can be picturesque, as Simon Eyres’ cover demonstrates, but they are costly to the farmer.
