THE following publications are available on application from the Department of Agriculture.

Most of the bulletins listed are reprints from the Journal of Agriculture and are free of charge (except where a price is stated). The date of original publication of reprints is stated to facilitate reference to bound volumes of the Journal.

Bulletins may be obtained by applying to the enquiry counters of the Department of Agriculture in Treasury Buildings, Cathedral Ave., Perth or Jarrah rd., South Perth, and District Offices of the Department, or by writing to the Department of Agriculture, Jarrah Rd., South Perth. Bulletin numbers should be quoted when ordering by letter.

These publications are free to farmers and in limited quantities to members of the public seeking specific advice. They will not be issued to students for school project purposes; publications for school projects will only be supplied through the Education Department.
